OUR MISSION

TINFA EMPOWERS TEACHERS TO BRING 21ST CENTURY SKILLS TO KIDS IN UNDERSERVED AREAS OF DEVELOPING COUNTRIES.

Founded in 2001, TINFA believes all children deserve to learn and take their education as far as they want. Our program concentrates on grades 4-6 in the western regions of Guatemala where many children do not go beyond elementary school.

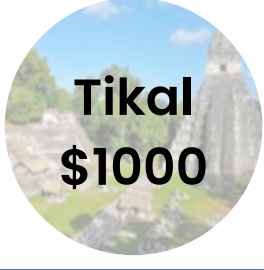

The TINFA Gala is our biggest fundraising event of the year and brings together over 150 community members. Our 2022 theme is Forward Momentum and we will honor the great progress and hard work of our partner schools, teachers, and students in their commitment to continue learning.

Our methodology provides a simple technology kit (laptops, projectors, internet connection) and a two-year training program with support for teachers.

ALL KIDS DESERVE A GREAT EDUCATION!
